

Bend, OR • 541-678-2788 • mkanko66@gmail.com • <http://markkanko.com>

A full stack web developer with a passion for technology, continuous learning, and expanding my skillset. I am a recent graduate of the Software Engineering Program at the Flatiron School, and I have strong skills in JavaScript and Ruby on Rails based programming. I have a robust work experience in multiple fields. I am passionate about my work, and I bring experience as an effective team player. I am well prepared to quickly ramp up to any tech stack, and I look forward to the opportunity to invest myself effectively as an asset contributing to the work of a great company.

Technical Skills:

JavaScript, Ruby/Ruby on Rails, Sinatra, SQL, PostgreSQL, SQLite, React, Redux, HTML-5, CSS-3, Git

AWS Certified Solutions Architect Associate
